

# Bulk Trash

Our garbage carters will take most items as bulk trash on the curb, but if you are in doubt, please call Village Hall at 354-0545 to ask us. White goods such as refrigerators, dish washers, hot water heaters, stoves, etc. can be picked up but you have to make arrangements for them ahead of time by calling Waste Management at 753-6882. There is a small fee involved for these items. Home construction debris such as tiling, wall board, 2 x 4's, sheet rock, cabinets, wall-to-wall carpeting, etc. also have to be pre-arranged.

Certain items cannot be collected by our carter at all—they are for example, cans with paint, pesticides, chemicals and any other hazardous waste, but you can take them to the Hazardous Waste Facility just outside the village. It is located at the Firemen's Training Center off Pomona Road (at the Route 45 end). Again, if you are not sure, just call us at 354-0545 or call the Hazardous Waste Facility at 364-2444 and to find out when they are open.

Bulk trash needs to be placed at the curb, and all bulk, garbage and recycling must always be out by 6:15 a.m. on the day of collection.

## ***GREAT POMONA FISH-IN***

***Sunday, June 11, 2006***

***1:00 - 4:00 P.M.***

***held at Fairty Pond at Secor Park in the Village of Pomona***

When was the last time you and your child enjoyed an afternoon of fishing? Even if you and your children have never fished, bring them to THE GREAT POMONA FISH-IN on June 11th in Fairty Pond at Secor Park. Come and enjoy another fun and enjoyable Village event organized by your Recreation Committee.

Professional Angler, Lou Cohen, will run the event just as in years past. He's bringing the bait, the expertise and more patience than you can imagine. He always brings great surprise give-aways too.

The tournament may be entered by children up to age 16. We'll award trophies for the MOST FISH caught, the SMALLEST FISH, and the LARGEST FISH. Everyone will be a winner! We'll award certificates to all participants. You might even find a new, fun activity for the entire family.

Please pack your child's fishing pole before setting off for the pond, but bait will be provided. A small

folding chair is advised for those observing the festivities.

The pond has been stocked with hungry BASS, PERCH, SUN FISH and TILE FISH.

The festivities begin at 1:00 p.m. and will conclude at 4:00 p.m. There will be soft drinks, snacks and refreshments for everyone. Please call Village Hall at 354-0545 if you need additional information.

Directions to the Pond (from Village Hall):

Left onto Ladentown Road from Village Hall Parking Lot. Take second right onto Call Hollow Road. Go up hill and take first right onto Secor Court. Come down hill - Fairty Pond is on the right.

## Yoga Class

Finally, we are happy to announce that our Yoga Class will be starting on Friday, June 9th for a trial period. The class will be held at Village Hall, 100 Ladentown Road, at 9:00 a.m. for 1-1/2 hours with a 1/2 hour of meditation for those who wish to stay. There is no charge for residents of the Village. Teacher Deon Rohrig says that this class is for all levels, to wear comfortable clothing, and to please bring a mat.

For those of you who can only attend a night class, we are going to see how the morning class goes, and if we see that there is enough demand for a night class, we will try very hard to hold one. If you are interested in participating in the Friday morning class, please join us on June 9th. If you are interested in a *future* night class, please call so that we can determine if there is enough interest.

If you have any questions, please call Leslie at Village Hall at 354-0545.

Now that the nicer weather is here, we would like to remind you that we have a nice children's playground right here at Burgess Meredith Park. Off Quaker Road, turn on to Brookside and follow to the very end (past Woodfield Rd.) In the cul-de-sac, you will see a place to pull off and park and go through the path to the playground. There is also a ballfield, exercise path and lovely brook there.
